

# PETS WITHOUT PARENTS

## JANUARY VOLUNTEER OF THE MONTH

### STEVEN MICHAEL STANLEY

What I like best about volunteering at PWP: That's a hard question. I will say it's helping get the cats and dogs a forever home.

My pets at home: Well funny thing is that I don't have any pets. Although I do love all the dogs and cats at the shelter for example Bells a Pit Mix.

What I'd like you to know about me: I am an 11<sup>th</sup> grader at the Graham School which by the way I intern for PWP for my school on Tuesdays and Thursdays. This is how I found out about PWP. I really love helping these animals and I will always be a volunteer for PWP. I look up to Amy because of what she does and she really inspired me so much that when I learn enough I would like to have my own non profit animal shelter or even try to become a PWP staff member.

Where you can find me when I'm not volunteering at PWP: I might be hanging out with my friends or playing my xbox360. By the way my gamer tag is MADs MINDFREAK if anyone wants to play. Honestly though I am almost always at PWP.

Dogs Rule or Cats Rule: I love them both but dogs so rule!

What's your advice to someone wanting to adopt a pet for the first time: Really think everything through before adopting remember that volunteers and staff are there to help. Also if you have any questions or concerns, please ask. We will be happy to help. Other than that have fun.

What is your favorite Cat and Dog Breed? My favorite Cat breed is the Bengal cat breed which is cross of domestic feline and an Asian Leopard Cat ("ALC"). Now for favorite dog breed it would have to be the Controversial Pit Bull Breed. This is because I think they are very loyal dogs and they're just plain cute.
