

# PETS WITHOUT PARENTS

## MAY'S FEATURED VOLUNTEER

### GRACE HOFFMAN

**What I like best about volunteering at PWP:** I love that PWP is a no-kill shelter and that we take in dogs and cats from over-crowded kill shelters and help find them a new home.

**My pets at home:** I have a Bernese Mountain Dog named Roxie, two rabbits named Charcoal and Snicker Doodle. Not at home I have a horse named Aspen.

**What I'd like you to know about me:** I've always loved and cared for animals and hope to have my own shelter when I get older. I am 16 yrs old and go to Watterson High School where I am involved with Dance Team.

**Where you can find me when I'm not at PWP:** Either riding my horse or at home playing with my dog and rabbits.

**Dogs or Cats Rule:** Dogs rule because my dad is allergic to cats. I've never been a huge fan of cats but can definitely love them if we get along.

**What's your advise to someone wanting to adopt a pet for the 1st time:** Don't rush into adopting. Think about it for a while first- even if there is a dog you are interested in. Other than that I would say to adopt from a shelter or the pound. Some of the most loving and most loyal pets come from shelters.

**Out of all the dogs and cats at the shelter, which would you take home right now?** It would be really hard for me to pick. I have loved Red since he came in, but so many other great pets have come since him. I am a sucker for Xavier and Edgar and I've never met a sweeter dog than Miracle. As for cats, I love Balto and Oreo.
